EXPERIENCE

Gap Inc.

OCT 2021 – PRESENT

Senior Talent Acquisition Specialist, Global Technology Services & Corporate Functions

- **Team leadership:** Informal lead for six Senior Talent Acquisition Specialists supporting 15 recruiters; train the team on each new system and set priorities through a weekly digest.
- **Interview operations:** Run scheduling for Global Tech & Corporate Functions, IC through executive: 2,000+ interviews a year, with 95% of candidate action items resolved within 24 hours.
- **Recruiting tech & automation:** Took a four-part interview scheduling automation program from concept to launch, built entirely with AI in Power Automate, SharePoint, and Outlook (intake, calendar events, candidate communications, reschedule tracking); cut turnaround 75% with a person still on every candidate message.
- **Headcount & capacity:** Automated weekly open requisitions reporting for GTS and Corporate Functions, and built live views of interview volume, reschedule rates, and recruiter workload for leadership.
- **Process & ownership:** Documented recruiting before and after redesign, with a RACI giving every step an owner across recruiters, coordinators, and interviewers.
- **Programs:** Made the case for a dedicated candidate experience team and am pushing for interviewer training; own the TA-to-new-hire handoff, where rewritten preboarding messaging cut new-hire follow-ups.

National Football League
