EXPERIENCE

Gap Inc.

OCT 2021 to PRESENT

Senior Talent Acquisition Specialist, Global Technology Services & Corporate Functions

- **Sourcing & screening:** Source and screen talent for tech and corporate searches, building shortlists recruiters can act on and keeping candidates engaged at every stage.
- **High-volume hiring:** Personally manage 2,000+ interviews a year for 15 recruiters, keeping candidates, hiring managers, and panels moving from first screen through onboarding.
- **AI automation:** Designed and launched an AI automation program in Power Automate, SharePoint, and Outlook, adopted by three specialists; cut scheduling turnaround 75%.
- **Hiring manager partnership:** Walk each business leader through their open roles, where every candidate stands, blockers, and timelines, with a tailored update for every search.
- **Reporting that moves decisions:** Built interview and workload dashboards that leadership used to change interview panel personnel.
- **Candidate experience:** Keep 95% of candidate requests answered within 24 hours; built the case for a dedicated candidate experience team using interview and reschedule data.
- **Team captain:** Informally lead six Senior TA Specialists, rolling out every new system and process to the group.
